# I am Creator / FRONTVIEW

Mockup Scene  
Generator **Bundle**

**253**  
ITEMS

**28**  
SCENES

a. DIY MOCKUP

# Scene Generator

Scene Generator allows you to create your own unique scenes just by dragging and dropping items into a special scene.

Just select a background, drop items that you like and finalize a scene by selecting premade adjustment layers.

253

Unique  
items

28

Premade  
scenes

∞

Infinite  
possibilities

b. EASY-TO-USE

# Mockups

Create unique items by pasting your design, text, logo or illustration.

Just open a smart object, paste your design and save. The item will be updated automatically.

The pack contains 150 unique and easy-to-use mockups.

c. ADVANCED

# Customization

Since most of items have color masks for each material, this feature allows to easily change their color.

Just open a smart object, click on the adjustment layer and choose a color that you need. You can also easily create your own adjustment layer based on a mask.

e. THIS PACK CREATED FOR

# Branding projects

It's a great resource for creating branding projects.

No matter what kind of work you create, what project you are working on, this pack will help you to create awesome presentations.

The pack contains 15 beautiful premade **branding** scenes and infinite possibilities of creating your own unique scenes.

C. THREE SCENE GENERATORS

# Created for Each Other

Three scene generators, three crucial angles, and each of them has its advantages.

They contain many similar items, as well as many items unique for each type. Use different angles in one presentation to create visual rhymes.

**I am  
Creator**  
/TOPVIEW

– Popular knolling. Create gorgeous scenes with elaborately arranged items.

**I am  
Creator**  
/PERSPECTIVE

– Volume images and more daring scenes

**I am  
Creator**  
/FRONTVIEW

– Create volume scenes, still showing the front of items.
