

# Thank you for downloading this resource!

Follow these simple steps to get started

1. Open the .psd file inside Photoshop (minimum version required: CS4)
2. On the Layers palette locate the smart layer named "Your text here". Double click on layer thumbnail to open the smart object container (.psb file)
3. Inside the .psb file select the text layer and type your own text. You can also delete the text layer and place your logo, shape or graphics
4. Save and enjoy!
